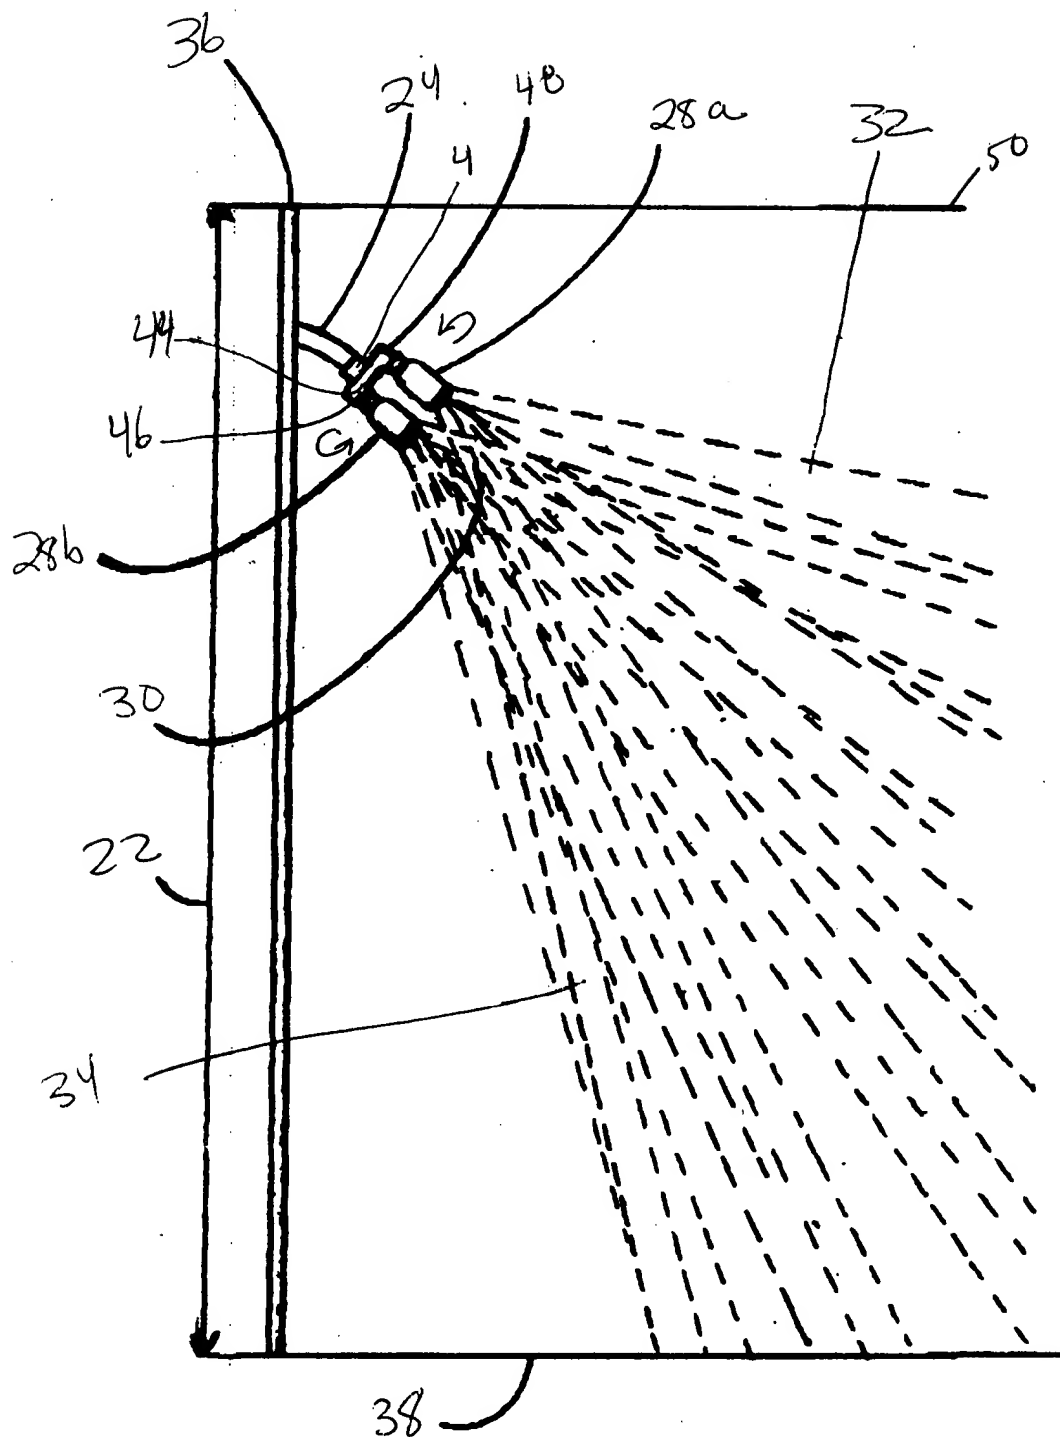

FIG. 5

A hand-drawn schematic diagram of a mechanical assembly, likely a pump or valve, with various components labeled with numbers. The diagram shows a central component (24) with a curved surface (46) and a central opening (28a). A vertical line (36) and a horizontal line (50) define the main structure. A series of dashed lines (32) radiate from the central opening, suggesting a flow or pressure distribution. Other labels include 22, 30, 34, 38, 4, and 46.
